

# ***JUNO***

**Purebred registered stallion – graded in Portugal – imported in 1997**

15:2 hh Dapple Gray.

Bred by Francisco Bessa De Carvalho

Sire: (Pure Veiga) Champion of Champions 1988 Lisbon Show

Dam: Cartola

Juno was Imported to England by his owner Hilary Linnett in 1997. Ridden by Hilary he has successfully competed in combined training and cross-country event. He was affiliated in 1999 and ably ridden by Ross Algar. He has competed successfully in dressage, in just three months he moved up the grades to medium, winning his first two classes at this level.

Juno has also mastered several high school movements, winning many ridden and in-hand breed classes and championships during his time in ENGLAND. He is thought by many Portuguese to be an exceptionally good classic example of the Lusitano Horse – One said “few better than him in Portugal”.

Juno has an exceptionally kind and gentle nature, making him a pleasure to train and handle, his most willing and trainable temperament show in his versatility, these attributes are being passed on to his progeny.

Fees on application.
